

KIM TERESIA HENRIKSEN

IT CONSULTANT | FRONTEND & BACKEND STUDENT

CONTACT

 github.com/KimTHenriksen

PROFESSIONAL SUMMARY

I work as an IT consultant at Helse Vest IKT and I am studying Frontend Development, where I have worked with HTML, CSS and JavaScript. I am also studying backend development. I have worked with Python and I am currently learning SQL.

I like learning new things and developing my technical skills. I would like to work more with development, applications or systems, and continue learning and building my experience.

TECHNICAL SKILLS

FRONTEND

- HTML
- CSS
- JavaScript
- React (basic experience)

BACKEND
